

22-24 Brady Road GISBORNE VIC

4 2 2

As new Porter Davis built executive home with all of the hard work already done for you.

Sitting on 2,598m² (approx.) and offering incredible views from the living and alfresco areas across to the Macedon Ranges. The house has been cleverly sited, ensuring that the option is available to subdivide further - (STCA).

With ducted heating throughout and evaporative cooling to provide year round comfort, you will really appreciate the thought and planning that has gone into this property.

This delightful home showcases a multitude of living options, you will find a spacious open plan living zone, separate theatre room for movie nights and footy games, study/home office, plus a separate games room for the children - so everyone is kept happy.

A fantastic kitchen complete with stone benchtops, glass splashback, quality stainless appliances and butler's pantry forms the central hub of the home.

Building Size : 3 sqm
Land Size : 2615 sqm
