Spectacular vistas, fantastic pastures, stunning home and opportunity for B & B (STCA), or house an extended family. The two residences compliment this property, and are well located to each other, ensuring privacy and allowing numerous options.

The modern homestead style brick residence offers bright open living, 4 spacious bedrooms and a study. Light filled living areas to provide options to wind down and ponder the day, yet large enough to entertain the whole family. The delightful kitchen and outlook will be enjoyed by the family chef, along with features including high ceilings, ducted heating and air conditioning. Secure large double garage, full length verandahs, spacious laundry, and great storage.

The second dwelling, a 1940s weatherboard, offers 3 bedrooms and 2 bathrooms. This quaint yet spacious cottage has recently undergone a tasteful renovation. The
