

**7 Fuchsia Lane MOUNT MACEDON VIC**

3 2 2

Down a quiet country lane amongst immaculate gardens, this lovely family home offers space, privacy and tranquillity.

The manicured gardens frame and compliment the Jeske built home, with further outdoor spaces including excellent children's playground, fenced pony paddocks and large machinery shed with power and concrete floor.

The home offers large north facing rumpus room, inviting formal living and dining with soaring ceilings plus additional meals area. 3 ideal sized bedrooms, showcasing ensuite and WIR to master; with additional bedrooms serviced by family bathroom.

Bonus features include town and tank water, wood heater, electric panel heaters and split system, plus so much more. This affordable lifestyle property offers the opportunity for more peace, room to move and play, and serenity. The noisiest neighbours include birds, koalas, kangaroos
