A sense of space and warmth embrace you at the front door and carry you throughout this delightful property.

The quality finish throughout the home is instantly obvious, highlighted by the beautiful Spotted Gum floors to the stunning two way gas feature fireplace.

You will take delight in the way the floor plan has been designed to compliment the block. Thoughtful touches such as stacking doors to the outdoors, exceptional storage spaces, large water tank and high ceilings set this executive styled home apart.

Accommodation comprises four generous bedrooms plus study / home office. The enormous master suite offers WIR and delightful ensuite. The spacious light filled living areas provide plenty of room for the family, or to entertain.

The central kitchen is the hub of the home, and provides quality Stainless Steel appliances, glass splashback, walk in pantry and great storage.
