The overwhelming sense of grandeur is instant. Here is your chance to secure the White House and be the envy of many.

Starting with the grand entry hall and home office, the downstairs living zone enjoys welcoming living spaces.

The formal lounge / dining area is complimented by plush carpets, gas log fire and quality window furnishings.

From here, the country styled Blackwood kitchen offers quality stainless appliances - including double oven and loads of storage.

A separate family dining area leads into the light filled rumpus; which flows into the incredible outdoor living zone.
