

103 Boundary Road WOODEND VIC

'The Mill' has recently acquired a four bedroom planning permit, with the building envelope sited to take in the Mt Macedon views.

Land Size : 25090.5 sqm
View : <https://www.kennedyandhunt.com.au/sale/vic/greater-bendigo-region/woodend/residential/land/5849279>

This magical property has been owned by the same family since November 1949. 'The Mill' once served as the family business, one of many sawmills in the area at the time, with machinery trading / engineering premises and rural grazing.

It would be one of the longest family held properties within close proximity to Woodend.
